BID SUBMISSION / OPENING		
FROM	TO	
18 MARCH 2025	19 MARCH 2025	

SPECIFICATIONS	DETAILS	
	FROM	TO
PACKAGE 1 - Sports Utility Vehicle (Plug-in-Hybrid Gasoline)		
SECTION VI – TECHNICAL SPECIFICATIONS		
PART I – TECHNICAL SPECIFICATIONS		
TS-5.0 SAMPLE (DEMO) UNIT	Bidders are required to show a sample unit during the conduct of post qualification. The sample unit shall be the representative of the unit the bidder intends to supply and deliver if the bidder is awarded the contract. Hence, the unit to be supplied and delivered shall have all the features and accessories of the sample unit, including its physical appearance. As such, the sample unit will be inspected/tested, and the model and all features and accessories shall be recorded. Such an inspection Test Record shall be signed by both NPC and the bidder, which shall be used in the evaluation and acceptance of the unit during delivery. Further, all features and accessories found in the sample unit must match the submitted Technical Data Sheets.	During the conduct of post qualification, the bidders are to assist the TWG/Enduser representatives to the manufacturer's/dealer's warehouse for hands-on unit demonstration, including test drive, technical briefing, and feature presentation, if applicable. The sample unit shall be the representative of the unit the bidder intends to supply and deliver if the bidder is awarded the contract. Hence, the unit to be supplied and delivered shall have all the features and accessories of the sample unit, including its physical appearance. As such, the sample unit will be inspected/tested, and the model and all features and accessories shall be recorded. Such an inspection Test Record shall be signed by both NPC and the bidder, which shall be used in the evaluation and acceptance of the unit during delivery. Further, all features and accessories found in the sample unit must match the submitted Technical Data Sheets.
