ARTICLE VII
PERFORMANCE SECURITY

To guarantee the faithful performance of the SUPPLIER's obligation under this Contract, the SUPPLIER shall post a performance security which shall remain valid and effective during the contract duration.

- a. Cash, Manager's/Cashier's Check, Bank Draft/Guarantee issued by a Universal or Commercial Bank or Irrevocable Letter of Credit issued by a Universal or Commercial Bank. Provided however, that it shall be confirmed or authenticated by a reputable local Universal or Commercial Bank if issued by a Foreign Bank equivalent to Five Percent (5%) of the contract price.
- b. Surety Bond callable upon demand and penal in nature issued by a Surety or Insurance Company duly certified by the Insurance Commission as authorized to issue such security which shall be Thirty Percent (30%) of the total contract price.

The Insurance Company that will issue Performance Security must be accredited by the Insurance Commission and acceptable to the National Power Corporation.

The Performance Security shall be valid for the duration of the contract and shall remain valid and effective until after sixty (60) days from NPC's acceptance of the last delivery/final acceptance of the project. The Performance Security shall also answer for any damages and expenses that NPC may suffer as a result of the failure of the SUPPLIER to perform its contractual obligations herein without prejudice to the other legal remedies which may be resorted to by NPC. The bond shall be released sixty (60) days after the last delivery period following the date of completion of the SUPPLIER's performance obligations under the Contract and the issuance of certification to that effect by NPC, including any warranty obligations, unless otherwise specified in the Bidding Documents, provided there are no claims against the SUPPLIER and/or its bondsmen.

Any extension of the delivery period, which may be granted to the SUPPLIER, shall be considered as given and any modification of the Contract shall be considered as authorized with the express consent of the surety.

ARTICLE VIII
NON-ASSIGNMENT AND NO SUB-CONTRACT

The SUPPLIER shall not, without the written approval of NPC, assign, transfer, pledge, sub-contract, or make any other disposition of interest in this Contract. Any unapproved assignment, transfer, pledge, sub-contracting or any other disposition, shall be sufficient ground for NPC to terminate or cancel this Contract motu proprio without need of judicial action. Should NPC give its written approval, such consent shall not relieve the SUPPLIER of its responsibilities

under the Contract. The SUPPLIER shall ensure that the terms and conditions of any sub-contract shall comply and conform with the terms and conditions of this Contract. The SUPPLIER shall be responsible for the observance by the sub-SUPPLIER of the terms and conditions of this Contract.

If any portion of the project sub-contracted is not performed faithfully in accordance with the contract, the sub-SUPPLIER shall be removed or replaced immediately upon the written request of NPC, provided, however, that any failure of NPC to make such request shall not relieve the SUPPLIER of its obligations under the contract. NPC shall not be responsible for the delays or costs incurred by the SUPPLIER because of the disapproval or removal of the sub-SUPPLIER, or because of the late submission of its approval.

ARTICLE IX
LIQUIDATED DAMAGES

Should SUPPLIER fails to satisfactorily complete the delivery of engine lubricating oil within the stipulated contract time, plus any time extension duly granted, and is thereby in default under this Contract, SUPPLIER shall pay NPC for liquidated damages, not by way of penalty, an amount equal to one tenth (1/10) of one percent (1%) of the cost of the undelivered engine lubricating oil for every day of delay until actual delivery or performance. Once the amount of liquidated damages reaches ten percent (10%), NPC may rescind or terminate the contract without prejudice to other course of action and remedies open to it.

To be entitled to such liquidated damages, NPC does not have to prove that it has incurred actual damages. Such amount shall be deducted from any money due or which may become due to the SUPPLIER, or collected from any securities or warranties posted by the SUPPLIER, whichever is convenient to NPC. The forfeiture of the performance bond shall not preclude NPC from collecting liquidated damages as provided under this clause.

The provision for liquidated damages shall not prevent NPC from exercising its right to take over from the SUPPLIER the procurement of the contracted oil.

ARTICLE X
AGREEMENT MODIFICATION

No modification, alteration or waiver of any provision of this agreement shall be binding upon the Parties unless evidenced by a written amendment signed by the Parties.

ARTICLE XI
SUSPENSION OF WORK

NPC may suspend the work wholly or partly by written order for a certain period of time, as it deems necessary due to force majeure or any fortuitous events as defined in the contract. The SUPPLIER shall take all reasonable steps to minimize the costs allocable to the work covered by

ARTICLE XII
PRE-TERMINATION

Notwithstanding any provision to the contrary, NPC has the right to terminate, cancel and/or rescind this contract motu proprio, without need of judicial action, in case of breach thereof by the SUPPLIER, by giving at least ten (10) day written notice, which shall be final and binding on all parties. Upon receipt of NPC's notice, the SUPPLIER cannot remove, withdraw or pull-out any equipment, machinery, tool, material and supply brought to the project site without the written approval of NPC.

Any misrepresentation made by the SUPPLIER in the submission of documents, or suppression of material facts, which if known could have disqualified the SUPPLIER gives NPC the immediate right or recourse to motu proprio, without need of judicial action, rescind, abrogate or otherwise terminate the Contract.

Within thirty (30) days after termination, cancellation or rescission of this Contract, the Parties shall settle their respective accountabilities as of the date of termination, cancellation, or rescission, including the refund of any and all advances made, plus legal interest from the date of receipt of the amount or amount advanced.

ARTICLE XIII
RIGHT OF NPC TO TERMINATE CONTRACT

NPC may, without incurring any liability, and as its interest may require, terminate the Contract in whole or in part, at any time, at its convenience by written notice sent to SUPPLIER. The notice of termination shall specify that such termination is for NPC's convenience and state the extent to which performance of work under the Contract is terminated and the date upon which such termination becomes effective.
