acts causing damages to NPC offices, power installations, or projects or constituting penal offense, as the case may be.

**ARTICLE VII  
LIQUIDATED DAMAGES**

Should CONTRACTOR fail to satisfactorily deliver any or all of the Goods and/or to perform the services within the period(s) specified in this Contract inclusive of duly granted time extensions if any, NPC shall, without prejudice to its other remedies under this Contract and under the applicable law, deduct from the Contract Price, as liquidated damages, the applicable rate of one tenth (1/10) of one (1) percent of the cost of unperformed portion for every day of delay until actual delivery or performance. Once the amount of liquidated damages reaches ten percent (10%), NPC may rescind or terminate the Contract without prejudice to other courses of action and remedies open to it.

**ARTICLE VIII  
NON-ASSIGNMENT AND NO SUB-CONTRACT**

The CONTRACTOR shall not, without the written approval of NPC, assign, transfer, pledge, sub-contract, or make any other disposition of interest in this Contract. Any unapproved assignment, transfer, pledge, sub-contracting or any other disposition, shall be sufficient ground for NPC to terminate or cancel this Contract motu proprio without need of judicial action. Should NPC give its written approval, such consent shall not relieve the CONTRACTOR of its responsibilities under the Contract. The CONTRACTOR shall ensure that the terms and conditions of any sub-contract shall comply and conform with the terms and conditions of this Contract. The CONTRACTOR shall be responsible for the observance by the sub-CONTRACTOR of the terms and conditions of this Contract.

If any portion of the project sub-contracted is not performed faithfully in accordance with the contract, the sub-CONTRACTOR shall be removed or replaced immediately upon the written request of NPC, provided, however, that any failure of NPC to make such request shall not relieve the CONTRACTOR of its obligations under the contract. NPC shall not be responsible for the delays or costs incurred by the CONTRACTOR because of the disapproval or removal of the sub-CONTRACTOR, or because of the late submission of its approval.

**ARTICLE IX  
AGREEMENT MODIFICATION**

No modification, alteration or waiver of any provision of this agreement shall be binding upon the Parties unless evidenced by a written amendment signed by the Parties.

**ARTICLE X**  
**SUSPENSION OF WORK**

NPC may suspend the work wholly or partly by written order for a certain period of time, as it deems necessary due to force majeure or any fortuitous events as defined in the contract. The CONTRACTOR shall take all reasonable steps to minimize the costs allocable to the work covered by such order during work stoppage.

Before the suspension order expires, the procuring entity concerned shall either lift such order or terminate the work covered by the same. If the suspension order is lifted, or if the period of the order expires, the CONTRACTOR shall have the right to resume work. Appropriate adjustments shall be made in the delivery or contract schedule, or contract price, or both, and the contract shall be modified accordingly.

**ARTICLE XI**  
**PRE-TERMINATION**

Notwithstanding any provision to the contrary, NPC has the right to terminate, cancel and/or rescind this contract motu proprio, without need of judicial action, in case of breach thereof by the CONTRACTOR, by giving at least ten (10) day written notice, which shall be final and binding on all parties. Upon receipt of NPC's notice, the CONTRACTOR cannot remove, withdraw or pull-out any equipment, machinery, tool, material and supply brought to the project site without the written approval of NPC.

Any misrepresentation made by the CONTRACTOR in the submission of documents, or suppression of material facts, which if known could have disqualified the CONTRACTOR gives NPC the immediate right or recourse to motu proprio, without need of judicial action, rescind, abrogate or otherwise terminate the Contract.

Within thirty (30) days after termination, cancellation or rescission of this Contract, the Parties shall settle their respective accountabilities as of the date of termination, cancellation, or rescission, including the refund of any and all advances made, plus legal interest from the date of receipt of the amount or amount advanced.

**ARTICLE XII**  
**JOINT AND SEVERAL LIABILITY**

The liability of the CONTRACTOR and/or any and all of the entities representing it on any manner under this Contract or relating to thereto is joint and several and for this reason NPC may proceed against any or all of them.

**ARTICLE XIII**  
**VALIDITY CLAUSE**

If any term or condition of this Contract is held invalid or contrary to law, the validity of the other terms and conditions hereof shall not be affected thereby.
