**Minutes of the Proceedings**

The Pre-bid Conference was formally opened at around 11:10 A.M. at the Kañao Function Room by Atty. Rogel T. Teves, BAC Chairman and VP-SPUG, together with the members of BAC, TWG, BCSD Facilitator and prospective bidder.

As of the Pre-bid Conference, no prospective bidder secured the bidding documents but there were two (2) prospective bidders attended the sad conference namely, Ayeshia Construction and

Shieham Construction & Enterprises. The TWG Chairman referred the prospective bidder to the salient points of the project and the schedule of Bid Submission/ Opening is on 27 July 2020 at 9:30 A.M.

Hereunder are the queries / concerns raised by the bidders:

Name of Bidder/s	Bidder's Concerns/Queries	NPC' Reply / Agreement
1. Ayeshia Construction	1. Our PCAB License expired last 30 June 2020 and the renewal is under process, will NPC accept any proof that our PCAB License is under renewal in lieu of the actual PCAB License?	1. No, we cannot accept. However, due to skeletal workforce in PCAB offices, they can issue a Notice of Approval of your PCAB License for bidding purposes. That will suffice our requirement.
2. Shieham Construction and Enterprises	1. Our bid offer/proposal for the project will be coming from Zamboanga and we all know that the transportation is not easy due to the pandemic, is there any other way or remedy for us to submit our bid?  2. Is it possible to increase the Approved Budget for the Contract (ABC) due to the location of the project and the difficulty of delivery/transport of materials to the site ?	1. Bidders from the other projects submitted their bid through commercial couriers like LBC and we received the bids on time. You can also do this way of submitting your bid on time.  2. This is already the 3 <sup>rd</sup> public bidding and the ABC for this project was already reviewed and evaluated by our group.

The BAC Chairman announced that prospective bidders may clarify on any part of the bidding documents through letter at least ten (10) calendar days before the bid submission/opening. "Reminders to All Bidders" was presented and explained thoroughly by the Technical member of the TWG.

Since no prospective bidder attended the conference, it was adjourned at 11:15 A.M.
