The contract period shall be two hundred forty (240) calendar days.

Hereunder is the queries/concerns raised by the prospective bidders:

Name of Bidder/s	Bidder's Concerns/Queries	NPC' Reply / Agreement
1. S&S Enterprises, Inc.	<p>a. Requested clarification on GPPB Resolution No. 09-2020 item 4.2(b), which says that the password should be given during the date of bid submission/opening for the "E-Bidding".</p> <p>b. How many days will be given to the bidders for the time log if the bidding document is to be paid through online?</p>	<p>a. As of now, NPC has not issued guidelines for the E-Bidding. In the Resolution, it states that the head of NPC's IT must certify that NPC is now ready with this kind of procurement. If certification will be issued, NPC will provide a clarificatory announcement.</p> <p>As for the E-Bidding as stated in 4.2(b) of the resolution, the password for the bid documents submitted by the bidder/supplier will be provided on the date of bidding.</p> <p>b. NPC is still discussing about how many days will be given for the time log. This depends on the discussion between NPC's finance and Landbank.</p>
2. IHI Turbo International Trade	<p>a. Is it possible to extend the date of bid opening/submission by fifteen days?</p> <p>b. Is it also possible to request a soft copy of the bid forms?</p>	<p>a. NPC will issue a bid bulletin on the extension of bid opening.</p> <p>b. The prospective bidder may send a request letter for the soft copy.</p>
