Minutes of the Proceedings

The Vice Chairman of the BAC, Atty. Manuel Luis B. Plofino, called the Pre-bid Conference to order at 10:28 A.M. for the Lease of 1.0 MW Modular Diesel Gensets for El Nido DPP.

As of the Pre-bid Conference, no bidder secured the Bidding Documents. Three (3) prospective bidders, namely, Aggreko Energy Rental Solutions, Inc., Hastings Motor Corporation and Monark Equipment Corp., attended the pre-bid conference. The TWG referred the prospective bidders to the salient points of the PR. The ABC is Php 12,539,000.00. Schedule of Bid Submission and Opening is on 01 July 2020 at 9:30 A.M.

Hereunder is the query/concern raised by one of the prospective bidders:

Name of Bidder/s	Bidder's Concerns/Queries	NPC' Reply / Agreement
1. Aggreko Energy Rental Solutions, Inc.	The existing capacity in El Nido DPP is 4.0 MW. The space in the plant is not that large. Where will the additional 1.0MW, which is the requirement of this project, be placed/located?	NPC will coordinate with the end-user as to where will this be located. It is possible that the end-user has already anticipated for the 1.0 MW additional capacity in the plant.
2. Monark Equipment Corp.	No query.	

"Reminders to All Bidders" was presented and explained thoroughly by the TWG Chairman of the other project.

Since there are no other matters to be discussed, the meeting was adjourned at 10:31 A.M.
