Minutes of the Proceedings

The Vice Chairman of the BAC, Atty. Manuel Luis B. Plofino, called the Pre-bid Conference to order at 10:22 A.M. for the Lease of 3.5 MW Modular Diesel Gensets for Dinagat DPP.

As of the Pre-bid Conference, no bidder secured the Bidding Documents. Three (3) prospective bidders, namely, Aggreko Energy Rental Solutions, Inc., Hastings Motor Corporation and Monark Equipment Corp., attended the pre-bid conference. The TWG referred the prospective bidders to the salient points of the PR. The ABC is Php 50,676,000.00. Schedule of Bid Submission and Opening is on 01 July 2020 at 9:30 A.M.

Hereunder are the queries/concerns raised by the prospective bidders:

Name of Bidder/s	Bidder's Concerns/Queries	NPC' Reply / Agreement
1. Aggreko Energy Rental Solutions, Inc.	Since there is an existing 1 MW genset in Dinagat, is the 3.5 MW to be procured an additional capacity to the existing 1 MW?	This project is already consolidated in which there is an increase in capacity and this will be the replacement for the existing contract.
2. Hastings Motor Corporation	Since there are other projects of lease of gensets that will also be conducted on the same date as this project, is it possible to submit only one folder of the common documentary requirements, such as PhilGEPS Certificate and Mayor's/Business permit, for all?	The documents should be submitted separately because these documents will be distributed to the TWG Members, End User and COA.
3. Monark Equipment Corp.		No query.

"Reminders to All Bidders" was presented and explained thoroughly by the TWG Chairman of the other project.

Since there are no other matters to be discussed, the meeting was adjourned at 10:27 A.M.
