## NATIONAL POWER CORPORATION

27 August 2019

**MR. MIGUEL S. KAQUILALA**  
 General Manager and Owner  
**FRONTIER POWER TECHNOLOGIES  
 AND ALLIED SERVICES**  
 Frontier Compound, Narra Road,  
 Brgy. San Antonio, San Pedro, Laguna  
 Tel. No. (02) 808-7478  
 Fax No. (02) 857-2580

**SUBJECT: CANCELLATION OF AWARD TO FRONTIER POWER TECHNOLOGIES AND ALLIED SERVICES FOR THE SUPPLY, DELIVERY, INSTALLATION, TEST AND COMMISSIONING OF FOUR (4) UNITS OF 50kW MODULAR DIESEL GENSETS AND ASSOCIATED ELECTRICAL EQUIPMENT AND BALANCE OF PLANT FOR THE ELECTRIFICATION OF TWO (2) NEW AREAS IN SOUTHERN LEYTE (PACKAGE 9)**

Dear Mr. Kaquilala:

Please be informed that on 26 June 2019, Frontier Power Technologies and Allied Services (FPTAS) was given 15 days to complete/finish the project for the Supply, Delivery, Installation, Test and Commissioning of 3x1000 kW Generating Sets for Marinawa DPP, otherwise the award for the subject Package 9 will be cancelled in accordance with applicable provisions of R.A. 9184 and its 2016 Revised IRR.

The outstanding works for Genset Unit No. 7 in Marinawa should have been done a long time ago since it is part of FPTAS obligation under its contract with NPC. Unfortunately, despite the series of follow-up communications on the matter sent by NPC, FPTAS has not responded to the concern. The prolonged neglect on the part of FPTAS to put into operation the genset has brought financial loss to the National Power Corporation (NPC).

FPTAS failure to undertake the necessary repair works and act to default from its contractual obligation is a clear violation to the provisions of the 2016 Revised IRR of RA 9184. Thus, NPC has the right to deny the award of any Contract to FPTAS for NPC projects in accordance with the applicable provisions of RA 9184.

### MEMORANDUM

**FOR : ATTY. ROGEL T. TEVES**  
Vice-President, SPUG and  
Chairman, Bids and Awards Committee

**FROM : LORNA T. DY**  
Vice-President, Administration & Finance

**SUBJECT : PROCUREMENT OF FOUR (4) MONTHS SUPPLY OF SKILLED SERVICES**

**DATE : 10 OCTOBER 2019**

*PAC-19-0098*

National Power Corporation	
Bids and Awards Committee Division	
RECEIVED	
DATE: <i>10-14-19</i>	TIME: <i>10:45</i>
Received by: <i>My</i>	
<i>APC-PB-19-0948</i>	

The four (4) months supply of skilled services was initiated in anticipation of the delay in the procurement of corporate-wide one (1) year supply of skilled services under Institutional Contract Hiring (ICH). While the said requirements are on process, the existing contract for skilled services with Peso Resources Development Corporation (PRDC) Contract No. LOGMSS2017-07-040-NIY which expired last 31 August 2019 was extended until 31 December 2019.

However, as a result of the expeditious procurement process, the procurement of skilled services under ICH has started early October 2019. Under ICH, identified positions for consideration to skilled/semi-skilled services also included most positions in the on-going procurement for the four (4) months supply of skilled services.

Accordingly, uniform rates and job levels were being applied corporate-wide. As such, we have decided that this is no longer necessary since this development has brought significant physical and economic changes rendering the four-month supply of skilled services no longer economically and financially feasible.

On the basis of Section 41 C of IRR, RA 9184, may we request for the cancellation of the on-going procurement for the four-months supply of skilled services.

Thank you!

  
L. T. DY

### MEMORANDUM

FOR : **PIO J. BENAVIDEZ**  
President & CEO, National Power Corporation

THRU : **ROGEL T. TEVES**  
Vice President – SPUG, BAC Chairman

FROM : **ROMEO A. ENCABO**  
Plant Manager, Agus 6/7 HEPC

SUBJECT : **CANCELLATION OF AGUS 6 HEP WORK ORDER WITH PR #  
MG-A7M19-002**

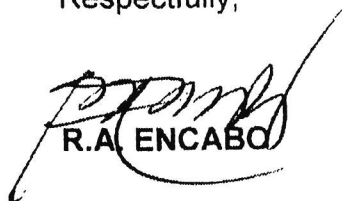

DATE : **7 NOVEMBER 2019**

With reference to the 2019 approved budget by your office, we regret to inform you that we are going to cancel our work order with **PR # MG-A7M19-002: A6 Supply and Installation of Switchgear for Agus 6 Unit 4 69kV Circuit Breaker, CT, PT and Surge Arrester**, since the proposed budget of Twelve Million (Php 12,000,000.00) is inadequate for the said work order. As per evaluation of our Design Department, the entire worth of the project will reach Forty-five to Fifty million (Php 45,000,000.00 to 50,000,000.00) in budget since the work order refers to the installation of a mini-switchgear for the 69kV line of Unit 4. The switchgear will not only provide an isolation breaker but will also provide protection and have metering capability of the 69kV line of Unit 4.

We would like to reconsider the work order in CY 2023 budget and we are open for any suggestion that will be given by our Design Department from Diliman. Again, we apologize for such cancellation.

We really appreciate your continual support, understanding and consideration on this matter.

Respectfully,

  
**R.A. ENCABO**
