

LORLINA E. BOMEDIANO
Senior Department Manager, Finance
National Power Corporation

Ms. Loralina E. Bomediano has over three decades of experience at the National Power Corporation. Starting off as a Senior Financial Analyst in the Batangas Coal-Fired Thermal Power Project in 1990 and managing its financial transactions, she steadily rose and flourished in bigger roles until her appointment as Senior Department Manager of the Finance Group by the National Power Board in March 2021.

Prior to her appointment as SDM, Ms. Bomediano handled key functions in the three departments under Finance sequentially in permanent and acting manager positions. She was likewise an appointed member of the Bids and Awards Committee for a cumulative period of over five (5) years.

Ms. Bomediano through the years has preserved the financial interest of the Corporation by initiating claims and cost recovery, providing huge savings for NPC. She was responsible for the settlement of the insurance proceeds amounting to \$8.7 million of Power Barge 105 which suffered from a fire incident in June 2006. Likewise, she was instrumental in the recovery of Php 2.5 million documentary stamp tax paid by NPC on behalf of Aggreko International Projects, in realizing savings of Php 76.39 million representing tax settlement for the Tiwi-Makban rehabilitation project and in NPC ceasing to pay over Php 400 million of pass-on fuel importation cost.

Now as SDM, she guarantees the same dedication to promoting sound processes, procedures of check and balance, and built-in controls within the Finance Group to ensure the wise use of resources.

Ms. Bomediano has a degree in commerce major in accounting from La Salle University in Ozamiz City and a master's degree in business administration from the Philippine Christian University.
