

NATIONAL POWER CORPORATION

CERTIFICATION

NPB-OCS - 21-~~007~~

THIS IS TO ATTEST AND CONFIRM that aside from the orientation and on-boarding sessions/programs being conducted for new Directors of and Alternates to the National Power Board to ensure that they are regularly updated of applicable laws, rules and regulations affecting the National Power Corporation, the GOCC sector and the Energy Industry, the Office of the Corporate Secretary and the Management through the Corporate Affairs Group conducted the following activities in **CY 2020** as part of the Board of Directors' continuing education and professional development program:

1. Tariff 101 (Learning Session on Rate Fixing/Tariff Applications);
2. Fuel Procurement 101 (Learning Session on the Salient Components of Fuel Management); and
3. Preparation of ABCs for Capacity Addition Projects.

Moreover, Members of the National Power Board visit satellite offices at least twice a year for learning sessions on diesel generating set operation and, on the transmission and substation functions of NPC. Unfortunately, due to the COVID19 pandemic, the following were deferred:

- a. On-site learning sessions on diesel power plant operation and fuel management concerning the following:
 - i. Basco Diesel Power Plant
 - ii. Sabtang Diesel Power Plant
 - iii. Itbayat Diesel Power Plant
- b. On-site learning sessions for plant hybridization for the following location:
 - i. Diesel + Wind Energy in Batanes; and
 - ii. Diesel + Solar PV in Limasawa, Leyte

The Office of the Corporate Secretary and the Training and Development Division (TDD) of the Human Resources Department further arrange and fund the attendance of the Appointive Member of the National Power Board to conferences, courses, trainings and seminars relevant to the power sector and to the discharge of his functions and duties as President and CEO of the Corporation.

This certification is issued to attest to the truth and accuracy of all the information contained herein based on available records and information that can be verified with the Corporation.
